A. Introduction

CDCC IT Module

The CDCC IT Module which rides on the eHealth+ of Electronic Health System (eHealth) platform is designated for the operation for Chronic Disease Co-Care Pilot Scheme (CDCC). **The CDCC IT Module is developed to facilitate the provision of clinical services by healthcare professionals to the participants, which includes clinical documentation, attendance register, clinical record sharing and reimbursement submission.**

This user guide aims at providing CDCC Healthcare Service Providers with detailed information for the **Participant Enrolment to health services in CDCC**. The general operation and expected outcomes of each function will be illustrated step-by-step in this user manual. It should be read together with the CDCC Operation Manual and Services Guidelines which provide an overview and operational information on the CDCC Pilot Scheme.

Check Cancel

Remark: If the client's HKIC symbol has "C" or "U", residential status eligibility will be checked through On-line Checking System for Subsidized Public Healthcare Services (OCSSS).

Method 1: Smart ID

i.

Select the "HKIC Symbol" and "Sex".

ii.

Ask participant to insert the Smart HKIC into the card reader.

iii.

Click [Step 2 Insert HKID Card] icon.

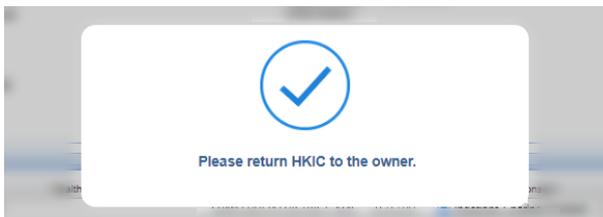

iv.

v.

Return the Smart HKIC to participant.

vi.

Click [Check] to proceed.

Remarks:

Decommissioned HKIC

Starting from 28 March 2025, the old Hong Kong Identity Card (HKIC) Electronic Authentication System in eHealth will be decommissioned and the existing smart card readers will cease to support the reading of old smart HKIC (issued before 26 November 2018) for patient registration, giving or update of patient’s sharing consent, and access to patient’s health records etc. If a patient presents the old smart HKIC for eHealth registration and related actions via the smart card reader, a popup message would be shown on the system to remind eHealth users to manually input the required personal particulars of the patient to the system.

Method 2: Input Document Information

i.

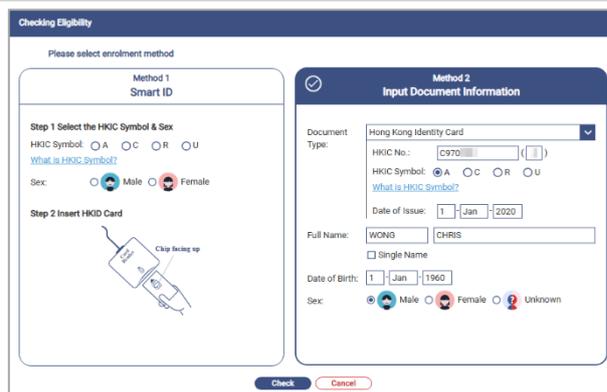

Choose an appropriate document type from the drop-down list of “Document Type” (default as [Hong Kong Identity Card]) and input information shown on Identity document accordingly.

Sample of inputting information from HKIC

Sample of inputting information from Exemption Certificate

ii.

Click [Check] to proceed.

- d Eligibility checking result of CDCC Pilot Scheme and each selected programme / health service to be enrolled, will be displayed respectively.
